Message:

As a longtime voter in El Paso County, I vigorously oppose this blatantly political stunt of redistricting off schedule in order to please Trump and pick up Republican seats in the House. This is so transparently bogus. I am opposed to it on grounds of fairness and justice. It is unnecessary And clearly manipulative. No no no. Please stop the twisting and dishonesty. The very definition of gerrymandering implies fraud. Please do the right thing and be honest and straightforward about this ploy from governor Abbott. It is wrong, morally and civilly wrong.
