I recently voted at Moody  
Methodist with my voter  
registration card from above  
address, I was then made sign 2  
different forms the judge sealed  
and then was given a paper to  
have filled out at the old county  
courthouse to have said vote  
counted. I did not do the latter  
and received a letter stating my  
vote didn't count. I found the  
whole ordeal absurd and  
prejudice. My comment is for open  
record. SDA
