Message:

I strongly oppose the newly proposed redistricting maps in Texas. These maps are blatant examples of gerrymandering that silence the voices of communities of color and undermine fair representation. Instead of reflecting the growing diversity of our state, they dilute our voting power and divide neighborhoods for political gain. Every Texan deserves a say in who represents them — not just those favored by partisan map-drawing. We need fair maps that put people over politics. Stop the gerrymandering. Protect our democracy!
