Message:

Please stop this redistricting. This is going to cause harm not only to my district, but it sets a precedence that will use the opposing party to do the same when their are in office. It will cause total chaos in our state and our country. This is unfair to those who are willing to deal with the consequences of our elections. It also show a weakness in the Republican Party, showing that you don't have faith in your constituency in getting your reelected to office. If also shows a lack in faith in the God your says your serve. If you are on the right side of right you would not have to do something as dishonest as this.
