First Name: Stewart

Last Name: Mueller

Title: Dr.

Organization: self

Address:

City: Houston

State: Texas

Zipcode:

Phone:

Affirm public info: I agree

Regarding: Congressional

Message:

I'm writing to ask that the proposed redistricting not move forward. Our state has always taken pride in making decisions independently, without outside pressure from the federal government. This redistricting is being pushed by the federal government and doesn't reflect the needs or wishes of the people who live here. For that reason, I hope you'll consider voting against it.

Stewart Mueller, Ph.D.
