Hello Sirs / Madams, we have done the redistricting as per 2020 census. Why again now?

To me it is clear, it is meant to achieve political goals to favor the ruling party, under advice and counsel from our POTUS, and to disenfranchise large swaths of people who will be caught in finely engineered districts that favor the ruling party.

Our 2-party system is like a pendulum. It has swung one way now and surely it will swing back to the other over time. So, by taking a long view of politics, PLEASE do the right thing, right by the people and right by the state and the country, and not for temporary gains that favor one party over another.

Thanks and very best wishes,

Sumit DasGupta, PhD
