Message:
Good Morning,

My name is Susan McNeil and I live in Pflugerville, TX
Congressional District 17.

Every legislator in Texas should be focused on assessing
and upgrading our early warning management systems. At
a press conference, Kristi Noem, stated our emergency
management systems were outdated which contributed to
the loss of life, 108 fatalities including 37 precious children!

I ran into a gentleman in the Capitol Parking Garage a little
over a week ago and he was from the Czech Republic
assisting with search and rescue in Kerr County. We had
people come from other countries to help Texans, yet this
legislative body chooses to abandon Texans to play with
maps for the sexual promiscuous felon in the White House
so he can fix, rig, steal our votes to continue his sick,
abusive, illegal, racist agenda!

Texans deserve better. Drop the mapping.

I will NEVER, EVER bend the knee to tyranny. Will you?
