Message:

Last night I watched the livestream of the Redistricting Hearing. Almost everyone who testified is adamantly opposed to the mid-decade redistricting plan as proposed.

You have very courteously listened to all the testimonies, with more to come this morning.

My concern and great fear is that you elected officials who are in favor of this corrupt and despicable plan will vote in favor of it, even though the majority of the witnesses and, indeed, your own constituents are against it.

This would be a violation of the sacred Oath of Office that you took upon assuming your duties.

Your job is not to appease Donald Trump or Governor Abbott. Your job is to openly and honestly represent the majority of your constituents.
