Message:

Please honor our community instead of vilifying it.
El Paso is a kind community with a diverse
population. All we ever hear from the Capital is how
we have a “crisis” on the border. This is simply not
true and Juarez Mexico is truly our sister city.

There is no need to redraw election maps, other
than to appease Trump. Please just leave our district
as it is. We are well represented now and are happy
with our reps.

We already feel like we don’t have a voice in Austin,
and this will only make it worse.

Thank you.
