Message:

Scores of soldiers have fought and died for our democracy. Voting for partisan and racially biased redistricting (gerrymandering) is a slap in the face to all of our military, veterans, and those who died in service to our country.

This is a disgrace. All of you were raised better than this! You were taught to respect our country, our military, our flag...not to be part of a takeover! One party will suffocate our great nation...we must have full representation for ALL Americans to truly rise to our potential!
