Regarding: Congressional

Message:

I strongly oppose the plan to redistrict our congressional boundaries before the next census. I consider myself an independent but nothing will make me vote straight blue more than if you enact the egregious gerrymanders that I am seeing published. Gerrymandering is one of the most undemocratic things that can be done by any party and will only lead to more extreme candidates on 'both sides'. If I was in a 'blue state' I would be writing the same response. Since I am not I will try to convince everyone I know including fellow veterans to vote against anyone who had anything to do with this or condoned it and that includes every local election.
Thank you for your time.
