To Esteemed Members of Texas  
Legislature and Commitee

As a veteran of the United States  
Marine Corp who fought during  
Desert Storm and a lifelong Texan  
I truly believe in democracy.  
What this commitee and the Texas  
legislature is doing by denying  
the citizens of Texas proper fair  
elected representation by its  
people in districts now to  
guarantee only one paricular  
party will always represent a  
district for now and future  
elections is not what I and many  
AMERICANS/TEXANS fought to  
defend. If someone I voted for  
losses/wins an election so be it.  
That is democracy!  
But to rig an outcome for a  
party to represent a district  
whether I support them or not is  
against everything this republic  
fought for PERIOD. To see now  
what you are doing with this  
redistricting is what  
atocracies/dictatorships have  
been doing for centuries. WE ARE  
NOT THEM!!! Trust the citizenry!  
Trust in what has made us  
exceptional even though we have

many oppressive moments in our great history. Remember you were elected to present all Texans if they voted for you are not. Once you go down this road Texas will no longer be a democratic republic but will instantly be what the men and women of the Alamo stood against. Is this what you wish to truly be remembered for? Please stop this bill/legislation. May God Bless us all.

T.R.
