Message:

There is great concern about the redistricting proposal. This is a power grab to silence voters and suppress votes. This is cheating. This is racist. If republicans are concerned they won't be elected without cheating, then perhaps they should consider listening to their constituents. I know, wild concept.

Our reps are public servants. They're supposed to represent their constituents. Instead they pander to corporations, billionaires, a rapist/felon president, and a governor who is only concerned about pleasing his billionaire buddies. Listen to your constituents. This is a coup. I implore you, do not vote for this nonsense. It's not helpful, it's harmful. Thank you for your time and consideration. I hope you make the correct choice.
