Message:

I strongly oppose redistricting. We've had a gerrymandered representative, "no town hall" Michael McCaul until 2020, and now we have a Congressional representative in Lloyd Doggett who, unlike McCaul, actually holds town halls and meets with his constituents. I was never able to get McCaul to do anything for us, including getting non-automated replies to emails. Lloyd Doggett actually works for us. I'd be very upset to be gerrymandered out of his district, as this would clearly be punitive to the majority of Austin residents.
