Message:

I proudly represent Texas Congressional District 16 in El Paso, Texas, a minority community with 82% of our population being Latino or Hispanic according to the U.S. Census Bureau. I write to urge you to stop this unprecedented mid-decade redistricting effort. Occurring at the behest of President Donald Trump and his Attorney General, redistricting at this time is a clear effort to further racially gerrymander our state and dilute the voting power of minority communities like El Paso. Texas already has the worst racially gerrymandered maps in the country, and litigation on the current maps is pending. Redistricting in this way undermines the fundamental American ideal of one person, one vote; our communities deserve to pick their representatives, not the other way around.
