Message:

As a 78 year old female mother and grandmother, who I would self describe as a moderate, I very strongly oppose the efforts by the

Governor to call a special session of the State Legislature impart to redraw Congressional districts. This is gerrymandering at its most

blatant level, and clearly done for political reasons. It is very very disappointing that our State Republican leaders are simply bowing

to the self serving demands of President Trump. Even my grandchildren wonder are taken back. Have Abbott et al no shame??
