MEETING POLICY

It is important to me that I take the time to hear your concerns or ideas firsthand, and that is why I have a committed meeting policy with constituents. If you have an idea to better our state, or if there is any issue you want to personally discuss with me, please call my office and arrange a meeting. Working together we will build a better Texas for the next generation.

HELP WITH STATE AGENCIES

My office is committed to assist in your interactions with state offices and agencies. Often referred to as "casework" this service is available to all constituents on a wide array of issues. While we cannot guarantee the outcome of your case, we will work to ensure that the state government is responsive to your concerns and that your rights are respected.

INTERNSHIP OPPORTUNITIES

We are currently accepting applications for summer internship opportunities in both our Capitol office in Austin, Texas and District Office's. As an intern, students have the opportunity to gain firsthand experience in public policy research and analysis, communications, community relations, constituent services and public affairs. If interested, be sure to contact us!

Again, I am blessed to represent you in the Texas Legislature and please keep our contact information within reach for any concerns or questions you may have.

Sincerely
