

BRANDON CREIGHTON

STATE SENATOR  DISTRICT 4

Dear Friends,

Protecting our community from the spread of Covid-19 is my primary concern. Rest assured that the preventative measures being taken will have a positive effect. If you have questions about symptoms, treatment and prevention, visit the Texas Department of Health Services website [here](#).

I am in regular contact with Governor Abbott, Lt. Governor Patrick, state and local health officials, and all of the local officials across Senate District 4.

If you need anything, my team and I are working around the clock to get you assistance and up to date information. Do not hesitate to email me at Brandon@BrandonCreighton.com or call one of my offices. The numbers are listed below.
