SENATOR DAWN BUCKINGHAM STATEMENT ON APPOINTMENT AS VICE CHAIR OF TEXAS SUNSET ADVISORY COMMISSION

I am honored to be appointed by Lieutenant Governor Dan Patrick as Vice Chair of the Texas Sunset Advisory Commission. Over the past two years, I have worked closely with my fellow Sunset Commissioners to create efficiencies in government by decreasing the regulatory burden Texans feel through our reviews of state agencies. I look forward to continuing this work as Vice Chair.

Before my election to the Texas Senate, I previously served on the Sunset Commission from 2013-15 as a public member. I particularly want to thank Lieutenant Governor Patrick, as in 2017 he allowed me to become the first-ever former public member of the Sunset Commission to return to the Sunset Commission as a legislator, and now the first former public member to serve as Vice Chair.
