SENATOR FLORES STATEMENT ON FIRE IN GATESVILLE

AUSTIN, TX –

AUSTIN –“While grateful that no one perished in the Gatesville fire from Monday evening, the loss is profound as the buildings dating over a century are not just part of history; they are also core to the identity of Gatesville and all of Coryell County. First Responders are to be commended for the valiant efforts to save and protect as much property as they were able including the iconic courthouse. Let us hold up the three firefighters who were injured in prayer for speedy recovery”.
