## **Senator Campbell Opens Two District Offices** *Office Grand Openings Celebrated on April 1*

AUSTIN - Senator Donna Campbell celebrated the Grand Opening of two district offices on Monday, April 1st, one in San Antonio and the other in New Braunfels. She and her staff spent half the day at each location, welcoming area residents to take in what she hopes will become great resources for the community.

"I believe government functions best when it's closest to the people. Two district offices will provide greater access for the entire district and allow us to better serve our community's needs," said Senator Campbell.

Guests who stopped by for the ribbon cutting included Texas Secretary of State John Steen and U.S. Representative Lamar Smith.

The San Antonio office is located at **9601 McAllister Freeway, Ste. 150**. The New Braunfels office is located at **1902 E. Common Street, Ste. 500**. This is the first district office to open in New Braunfels that represents Senate District 25.
