Sen. Campbell Votes No on SB 1, Cites Fiscal Conservatism

Campbell joins Patrick, Paxton, and Birdwell as 'No' Votes

AUSTIN-- Sen. Donna Campbell's statement regarding her vote on the Texas budget:

"The Texas economy is strong because we have remained vigilant against unnecessarily growing government. I respect the hard work that was done by my colleagues on the Finance Committee, but I don't believe it holds true to the fiscally conservative model that has put our state on a path to prosperity. I would have preferred to see more restraint in overall spending and I am concerned that any government growth supported by this budget is at the expense of key infrastructure needs like investing in transportation."
