**At Chick-Fil-A, Sen. Campbell Announces Employee John Wasserman
as District's Texas Armed Services Scholarship Winner**

AUSTIN-- Senator Donna Campbell announced John Wasserman as the recipient of the Texas Armed Services Scholarship Program (TASSP) from District 25 on Friday, stopping by the Chick-Fil-A restaurant in San Antonio where John has worked for the past four years to present him with the exciting news.

"John Wasserman is an outstanding young man who exemplifies the virtues of those who serve our nation in the armed services. While many exceptional candidates were considered, John's dedication to his studies, proven work ethic, and passion for community service made him the strongest candidate for this award," Senator Campbell said. "I wish John the best as he goes on to pursue his interests and serve our great state and country."

The son of a Colonel in the United States Air Force, John Wasserman graduated from Canyon High School in New Braunfels, where he was an All-State Academic Athlete on the Cougar baseball team. He also utilized his talents off the field, volunteering his free time to coach a special needs baseball team.

John plans to attend Baylor University in the fall, where he will study Mechanical Engineering before pursuing a career as an officer in the military.

The Texas Armed Services Scholarship Program was created by the 81st Legislature to encourage students to participate in ROTC programs and to enter a branch of the armed forces. Each state senator is allowed to nominate one recipient from their district.

###

State Senator Donna Campbell represents Senate District 25, stretching along the I-35 corridor from San Antonio to south Austin. She sits on the Education, Transportation, Jurisprudence, and Veterans Affairs and Military Installations Committees and is vice-chair of the Nominations Committee.
