Sen. Campbell Statement on SCOTUS Decision to Hear Abortion Case
Senator Campbell Reiterates Intent, Constitutionality of HB 2

AUSTIN-- State Senator Donna Campbell released the following statement upon the Supreme Court's decision to consider arguments regarding provisions of HB 2, the Texas abortion law passed in 2013:

"Texas lawmakers acted in the best interest of our citizens when we passed House Bill 2 to implement standards that protect women and save innocent lives. Tragedies occur when industries operate at substandard levels and the measures we passed have always been about preventing tragedies by bringing medical facilities up to modern standards, including abortion facilities. The law has survived multiple challenges from the billion dollar abortion industry and I am confident that common sense, good policy, and the will of the people will prevail again."
