Senator Campbell Applauds Passage of SB 2
Property Tax Relief for Texans

"Texans are desperate for property tax relief. Today I voted with 17 of my colleagues to slow the growth of property taxes. Respecting local control means respecting the will of the voters, and SB 2 puts property tax increases in front of local voters so they can finally hold their elected officials accountable. I am happy to help pass a bill that will keep more Texas families in their homes for years to come."

-State Senator Donna Campbell, M.D.
