Senator Campbell's Statement on Passage of HB 3

"The need for meaningful school finance reform is real. House Bill 3 includes a \$5000 teacher pay raise, transitions the state away from the inequity of Robin Hood, and provides taxpayers badly-needed property tax relief. While I have concerns about certain provisions of HB 3 and want to see efficiency audits included, I voted yes today to keep the bill moving in the interest of improving it through the legislative process."

-State Senator Donna Campbell, M.D.
