

Friends,

Last week, I was officially sworn-in as your State Senator! Since then, my staff and I have been busy transitioning into our Senate office and making sure everything is up and running!

In a future newsletter, we will discuss our legislative priorities for the upcoming Session. If you have any issues or bill ideas you would like us to work on, please let us know via phone (512) 463-0128 or email: District28.Perry@senate.state.tx.us

This week, I was appointed to the Senate Committee on Higher Education.

With so many universities, community colleges, and vocational institutions within the 51 counties I represent, this role will allow me to provide a strong voice for the unique challenges and issues facing higher education in our region. I look forward to working closely with the leadership of Texas Tech, San Angelo State, and all institutions of higher learning within the district to ensure West Texans are able to receive a top-notch, affordable college education.

The trust you have placed in me is not something I take lightly. I ask that you continue to hold me accountable as I start to prepare for the upcoming Legislative Session.

I work for you! If you ever have any questions or concerns, never hesitate to reach out to our office! I have included contact information below!

Respectfully,

A handwritten signature in black ink that reads 'Charles Perry'.

Charles Perry
State Senator, CPA
