## **JOINT STATEMENT FROM THE EL PASO DELEGATION**

*Statement of Condolences for the Passing of Mrs. Carolina Reyes*

**El Paso, Texas** - The El Paso State Delegation extends its sincere condolences to Congressman Silvestre Reyes and his family. Our prayers are with the friends and family who lost their beloved Carolina. She left a lasting legacy in this world. She was the first Latina to hold office as the President of the Congressional Spouses Club of the 112th Congress, a champion for the Canutillo ISD community, and known for her kindness and compassion for others. She will forever be remembered in the hearts and minds of those who knew her. Our deepest sympathies are with the Reyes and Gaytan families.
