## **Senator César Blanco Announces \$1.5 Million Grant for Horizon View Park Project**

"I am pleased to announce the Horizon View Park Project has been granted \$1.5 million from the Texas Parks and Wildlife (TPW) Commission. This is a great win for the families and kids of Horizon!

"This funding will be used for a hike-and-bike trail, pavilion, picnic shelters, a garden, site amenities with ADA components, lighting, native landscaping, parking, sidewalks, interpretive signage, and site work.

"Access to recreational parks and the outdoors is essential to enhancing the physical and mental well-being and overall quality of life of our community. I thank TPW for this investment in our community."
