## **Statement on the Retirement of Representative Lina Ortega**

“For over 6 years, I have had the privilege of serving with Representative Lina Ortega in the Texas Legislature for the betterment of our community. Lina has been a vocal champion for our community as part of our El Paso state legislative delegation. From her tireless work on transportation to her advocacy for repairing the Wyler Tramway and establishing a law school in El Paso, she has made a positive difference for our community, which the El Paso delegation will continue. I thank her for her many years of public service and wish her all the best as she catches up with her loving family and any future endeavors.”
