## Statement on Preliminary Injunction Against Senate Bill 4

“Today’s decision to temporarily block Senate Bill 4 from taking effect in Texas is a major win for our communities. Senate Bill 4 circumvents federal immigration and asylum regulations, will cost our communities millions of dollars, and does nothing to solve the humanitarian crisis happening at our border. I will continue calling on Congress to pass comprehensive immigration reform and stand against legislation that criminalizes and dehumanizes families looking for a better life.”
