Senator César Blanco Hosts 11th Annual Back-to-School Backpack Giveaway Series at Sunrise Mountain Elementary

El Paso, Texas - Yesterday, Senator César J. Blanco continued his 11th Annual Back-to-School Backpack Giveaway Series with an event at Sunrise Mountain Elementary, where 450 backpacks were distributed to students. This marks the second of three giveaway events taking place at schools across Senate District 29.

Each year, selected schools are chosen based on data from the Texas Education Agency's Economically Disadvantaged Status Reports. Backpack giveaways are limited to students who are enrolled and registered at the designated campuses.

Senator Blanco issued the following statement:

"Helping students thrive starts with the basics, and that includes a backpack they can be proud of. This giveaway is about more than school supplies; it's about giving students the confidence and tools they need to start the year strong.

"For many families, a little support can go a long way. I'm proud that our office, along with community and corporate partners, can come together to help ease the financial stress that often comes with the back-to-school season.

"Every child deserves to walk into the classroom feeling ready to learn and excited for what's ahead. A big thank you to everyone who made this event possible. When we invest in our students, we're investing in the future of El Paso!"

El senador Blanco emitió la siguiente declaración

"Ayudar a que los estudiantes prosperen empieza con lo básico, y eso incluye una mochila de la cual puedan sentirse orgullosos. Esta entrega va más allá de los útiles escolares; se trata de darles la confianza y las herramientas necesarias para comenzar el año con éxito.

“Para muchas familias, un poco de apoyo puede hacer una gran diferencia. Me enorgullece que nuestra oficina, junto con socios comunitarios y corporativos, puedan unirse para aliviar el estrés financiero que suele acompañar el regreso a clases.

“Cada niño merece entrar al salón de clases sintiéndose preparado para aprender y emocionado por lo que viene. Un gran agradecimiento a todos los que hicieron posible este evento. Cuando invertimos en nuestros estudiantes, estamos invirtiendo en el futuro de El Paso.”
